

# The arts speak a language

that transcends ordinary speech and culture. They can reveal truth, nourish the spirit, express depth of faith and open a person to spiritual growth and well-being. They are truly a grace and a gift. Viewing the arts as an expression of faith, Pilgrim Lutheran Church offers the Pilgrim Fine Arts Series as a ministry to the broader community. These programs of music, drama, dance and the visual arts are offered to enrich lives, build bridges between people in the community and foster ecumenical conversation. May this series create a forum for the appreciation of beauty, for an understanding of the challenges inherent in the arts and for the building of community. ## A Visit from Henry David Thoreau

Sunday, February 26, 2017 | 4:00PM  
Pilgrim Lutheran Church, 3650 W 106th St. Carmel, IN  
Free-will offering taken

Anderson University professor of English **Dr. Kevin Radaker** will portray Henry David Thoreau in this highly acclaimed one-man show. Radaker presents the provocative, eloquent words of Henry Thoreau, America's mid-nineteenth-century apostle of the wilderness, social critic, and political dissenter. This interactive program will entertain, educate, and inspire! This monologue is set in 1860 when America was poised on the brink of the Civil War. Railroad and industry were changing the character and pace of our lives, and few Americans had begun to consider the value of our wild lands. Thoreau's words can help us today as we face ecological issues of climate change, pollution, habitat loss, and as we seek to be good stewards of God's creation.
